

## **News Letter – January 2019**

Dear Parents,

*The entire family of Brats n Cuties wishes you and your family a very Happy and Prosperous new year.*

*The month of December was filled with cheer and glee as it brought in a variety of celebrations tapping into the festive mood of the last month of the year.*

*The beginning of December saw us gearing up for the special assemblies that happened on 19<sup>th</sup>, 20<sup>th</sup> and 21<sup>st</sup> December. All the children performed marvellously and showcased their honed talents resplendently in front of their proud parents and grandparents. The highlight of these special assemblies was SEI ( Socio-Emotional Initiative) staged as a “Street Play” which touched base upon various social problems pertaining to the social security of our children in society at large.*

*We were very proud and honoured to see all the parents understanding the cause and participating openly in the open forum.*

*In order to close this year with a bang we took our little ones to the Airforce Museum where they got to see various types of Aircrafts and a rich memorabilia of the history of Indian Military Aviation.*

*As a continued effort towards making children learn by hands-on experiences, the school premises was abuzz with the “pitter patter” of paws as parents got in their pets for children to spend a day with pets at school under the “Animal carnival”.*

.

*December also brings in happiness and joy and rightly so, BnC experienced the exuberance on 24<sup>th</sup> December when Santa Claus visited the school and distributed gifts, joy and cheer among all the children. The children were thrilled to be part of the entire celebration where they also enjoyed the creatively presented Edu-Drama done by our very talented teachers depicting the birth of Lord Jesus. The children celebrated further by playing theme games.*

*The first month of 2019 will see children coming back to school after the winter break. We will be looking forward to welcoming all the little ones back into our folds and gradually we will start preparing the children to settle back into the ambit of their respective classrooms.*

*We will be celebrating Lohri on 11<sup>th</sup> January, and Republic Day on 25<sup>th</sup> January.*

*The theme of the month will be "Around the world" and project for the month will be "Crafty Me" for Toddlers and "Gravity" for the rest of the group. The certificate for the month of January will be "Orator" for the first fortnight and "Most Creative Child" for the second fortnight.*

*Kindly note that the school shall remain closed from 31<sup>st</sup> December 2018 to 9<sup>th</sup> January 2019 for the Winter Break and on 26<sup>th</sup> January 2018 on account of Republic day.*

**Regards**
